

Benefits

- Attractive Appearance
- Lower Installation Cost
- Lower Carbon Footprint
- No Power Outages
- Easy to Convert to Solar

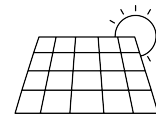

Exclusive Free
Battery Recycling
Program

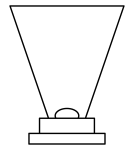

Certifications

- Optional PTC Auto Heat System idea for use in cold & snowy climates
- Bifacial solar panel increases efficiency 25%
- 3000K/4000K/6000K CCT

Bifacial Solar Module

Osram/Phillips/ Nichia LED Chips

Multiple options for lighting available. Please consult Salesperson for details.

Model	Power	PTC Auto Heating System	Solar Panel	Battery
